

MAVORA LAKES

Features

- Vintage steamship journey
- Backcountry 4WD trip
- Beautiful bushwalk

Cruise across Lake Wakatipu on the vintage steamship TSS Earnslaw, then embark on a 4WD trip with your guide, winding through high country farmland, with many stream crossings and photo stops on the way.

Gradually the open country gives way to tussock and pockets of native bush as we arrive at our destination, the twin Mavora Lakes.

We lunch at a lovely spot overlooking the water then walk mossy pathways through lichen-draped native beech forest with glimpses of distant mountain peaks through the trees, savouring the isolation and the silence.

This is an ideal location from which to connect with onward journeys to Te Anau, Milford or Doubtful Sounds.

Other options include use of a private charter boat or a bike ride to follow your walk.
